

Name the animals?

I am the
Happy Hingus Bird.
Have some fun.

God gave the first man Adam a job. It was to name all the animals.
Read about it in Genesis 2:19,20. Pretend it is your job to
name the animals. Name all these animals. If you already
know the names of any of these animals, pretend you
don't and name them again.

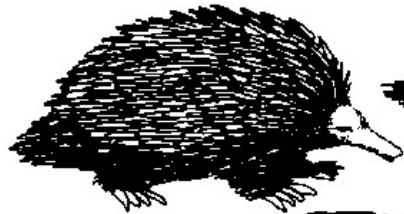

1. _____

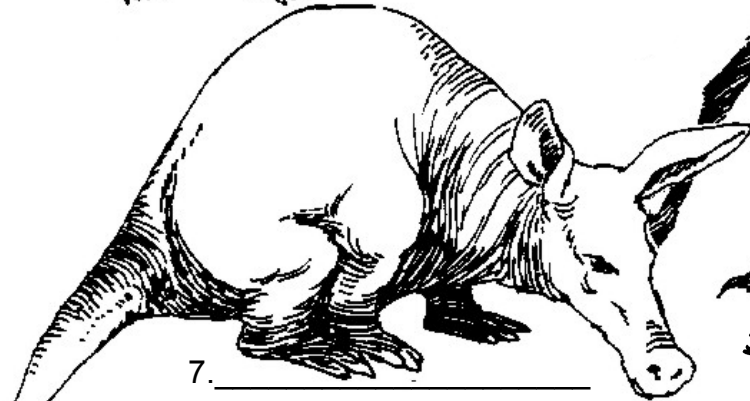

3. _____

2. _____

4. _____

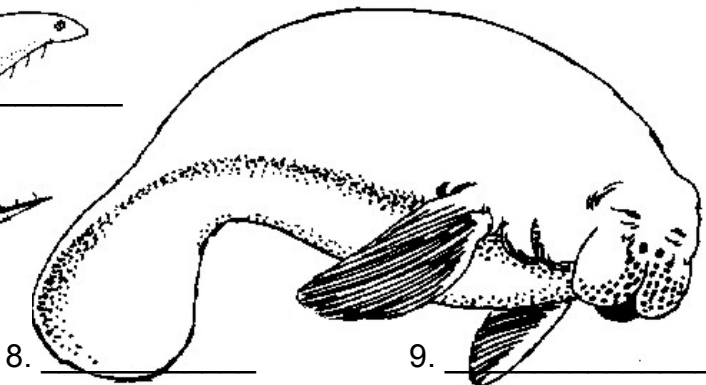

5. _____

7. _____

6. _____

9. _____

8. _____

Go ahead and rename the animals on the cover.
