

Where in the bible does it say Christianity is the one true religion?

*"Salvation is found in no one else, for there is no other name under heaven given to men by which we must be saved."*

Do you have to go to church to say you are a Christian?

Going to church does not make a person a Christian. When a person believes in Christ and obeys he/she becomes a Christian and is **added** to the church.

(Acts 2:38)

All Christians are **part of** the church, the body of Christ.

*"Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another—and all the more as you see the Day approaching."*

(Hebrews 10:25)
