

# The Body Concept

*“And God placed all things under his (Jesus) feet and appointed him to be head over everything for the church, which is the body, the fullness of him who fills everything in every way.”*

(Ephesians 1:23)

A body with more than one head is abnormal...even freakish!

*“Just as each of us have one body with many members, and these members do not all have the same function, so in Christ we who are many form one body, and each member belongs to all the others. We have different gifts, according to the grace given us.”*

(Romans 12:4-6)

A head does not control many bodies...it controls many body parts (members). There is one body (church), not many bodies split apart by many different teachings.
